#### Additional Information

##### 1. Scheme responsible for your deposit

##### 2. General limit of protection

If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by the Deposit Guarantee Scheme. This repayment covers at maximum EUR 100 000 per credit institution. This means that all deposits at the same credit institution are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with EUR 90 000 and a current account with EUR 20 000, he or she will only be repaid EUR 100 000.

Under certain conditions, deposits not further reinvested resulting from real estate transactions, deposits exclusively related to life events such as wedding, divorce, retirement, the individual or collective dismissal, disability or death, deposits resulting from payment of insurance benefits, or compensation awarded to victims of crime or judicial errors, are guaranteed beyond EUR 100.000.

##### 3. Limit of protection for joint accounts

In case of joint accounts, the limit of EUR 100 000 applies to each depositor. However, deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of EUR 100 000.

##### 4. Reimbursement
